INDEX TO VOLUME 43

The volume is indexed by SUBJECTS, AUTHORS, BOOK REVIEWS, and AUDIO-VISUAL REVIEW, in that order

SUBJECTS

Abortion

Abortion and sexual behavior in college women, 804
Abortion trends in European Socialist countries and in the United States, 376
Adolescent pregnancy: a study of aborters and non-aborters, 796
Follow-up study of women who request abortion, 574
Induced abortion: source of guilt or growth? 815

Adolescence

Adolescent pregnancy: a study of aborters and non-aborters, 796
After ten years: a follow-up study of comprehensive vocationally oriented psychotherapy, 128
Follow-up of adolescents treated in a psychiatric hospital: I. a review of studies, 602
Formation of values in the developing person, 86
Indian adolescent: psychosocial tasks of the Plains Indian of western Oklahoma, 368
Reminiscences of runaway adolescents, 840
Research findings on the kibbutz adolescent: a response to Bettelheim, 347
Some second-generation effects of survival of the Nazi persecution, 320

Aging

Menopausal queen: adjustment to aging and the male homosexual, 670

Alcohol Usage

Methadone in the Southwest: a three-year follow-up of Chicano heroin addicts, 355

American Orthopsychiatric Association

AOA's president for 1973–74, Julius B. Richmond, 316
Business Meeting, 869
L'Envoi, 508
National view of mental health, 700
On making relevance relevant, 717
Prologue, 510
World view of mental health: recent developments and future trends, 706

Behavior Symptoms and Problems

Camp Freedom: behavior modification for retarded children in a therapeutic camp setting, 418
Children with excessive fears, 428
Classifying confusion: a study of results of inpatient treatment in a multidisciplinary children's center, 411
Family doll play and female identity in preadolescent males, 123
How therapists assign families to treatment modalities: the development of the treatment method choice sort, 767
Psychiatric consultation at a day care center, 394
Schizotaxia revisited: model issues in the etiology of schizophrenia, 744
Some second-generation effects of survival of the Nazi persecution, 320
Temperamental characteristics as predictors of behavior disorders in children, 328

Camp Experience

Camp Freedom: behavior modification for retarded children in a therapeutic camp setting, 418

Child Abuse

Child abuse as psychopathology: a sociological critique and reformulation, 611

Child Rearing and Development

Alternatives in child rearing in the 1970s, 720
Effects of early day care experience on adjustment to a new environment, 340
Family day care: one alternative in the delivery of developmental services in early childhood, 37
From laboratory to real world: service delivery of the mother-child home program, 72
Natural delivery systems: accessible sources of power for mental health, 46
Organization of day care: considerations relating to the mental health of child and family, 8
Our children are our future: early childhood development and the need for services, 4
Psychiatric consultation at a day center, 394

From laboratory to real world: service delivery of the mother-child home program, 72
Natural delivery systems: accessible sources of power for mental health, 46
Organization of day care: considerations relating to the mental health of child and family, 8
Our children are our future: early childhood development and the need for services, 4
Psychiatric consultation at a day center, 394

Report on a nationwide crisis: a book review, 53
Slogans, slots, and slander: the myth of day care need, 23

Children

Alternatives in child rearing in the 1970s, 720
Camp Freedom: behavior modification for retarded children in a therapeutic camp setting, 418
Child abuse as psychopathology: a sociological critique and reformulation, 611
Children with excessive fears, 428
Classifying confusion: a study of results of inpatient treatment in a multidisciplinary children's center, 411
Comparison of three group approaches to under-achieving children, 133
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
Effects of early day care experience on adjustment to a new environment, 340
Family day care: one alternative in the delivery of developmental services in early childhood, 37
Family doll play and female identity in preadolescent males, 123
From laboratory to real world: service delivery of the mother-child home program, 72
How therapists assign families to treatment modalities: the development of the treatment method choice sort, 767
Natural delivery systems: accessible sources of power for mental health, 46
Organization of day care: considerations relating to the mental health of child and family, 8
Our children are our future: early childhood development and the need for services, 4
Psychiatric consultation at a day care center, 394
Report on a nationwide crisis: a book review, 53
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65
Schizotaxia revisited: model issues in the etiology of schizophrenia, 744
Slogans, slots, and slander: the myth of day care need, 23
Some second-generation effects of survival of the Nazi persecution, 320
Temperamental characteristics as predictors of behavior disorders in children, 328

Clinic Operation

Classifying confusion: a study of results of inpatient treatment in a multidisciplinary children's center, 411
Differential attitudes of black and white patients toward treatment in a child guidance clinic, 384
Evaluating descriptions of psychiatric treatment programs, 401
Hospital confrontation: a cry for help and technique for change, 79
How therapists assign families to treatment modalities: the development of the treatment method choice sort, 767
Model for the brief hospital treatment of the disadvantaged psychiatrically ill, 774
Reminiscences of runaway adolescents, 840
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65

Communes

Alternatives in child rearing in the 1970s, 720
Urban commune: fact or fad, promise or pipedream?, 149

Community Mental Health

Community mental health and the Chicano movement, 595
Differential attitudes of black and white patients toward treatment in a child guidance clinic, 384
Evaluating descriptions of psychiatric treatment programs, 401
Health Workers of the Fengsheng neighborhood of Peking, 737
Interprofessional collaboration in training in mental health, 97
Natural delivery systems: accessible sources of power for mental health, 46
New look at national insurance for mental health, 622
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732
Urban policemen, crisis mediators or crisis creators? 632

Consumer Control

Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65

Day Care

Effects of early day care experience on adjustment to a new environment, 340
Family day care: one alternative in the delivery of developmental services in early childhood, 37
Natural delivery systems: accessible sources of power for mental health, 46

Our children are our future: early childhood development and the need for services, 4
Organization of day care: considerations relating to the mental health of child and family, 8
Psychiatric consultation at a day center, 394
Report on a nationwide crisis: a book review, 53
Slogans, slots, and slander: the myth of day care need, 23

Delinquency

After ten years: a follow-up study of comprehensive vocationally oriented psychotherapy, 128
Examination of impulsivity as a trait characterizing delinquent youth, 789

Disadvantaged Children

Comparison of three group approaches to under-achieving children, 133
From laboratory to real world: service delivery of the mother-child home program, 72
Our children are our future: early childhood development and the need for services, 4
Psychiatric consultation at a day care center, 394
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65

Drugs

Hard line must be drawn, 526
Hospital confrontation: a cry for help and technique for change, 79
Junkie as political enemy, 533
Let the punishment eclipse the crime, 514
Making a complex problem worse, 523
Methadone in the Southwest: a three-year follow-up of Chicano heroin addicts, 355
Patent medicine for the drug problem, 512
Poly-drug abuse: drug companies and doctors, 530
Pushing us towards a police state, 530
We need an alternative, not an escalation, 519
World view of mental health: recent developments and future trends, 706

Education

Comparison of three group approaches to under-achieving children, 133
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
From laboratory to real world: service delivery of the mother-child home program, 72
Interprofessional collaboration in training in mental health, 97
Models of helping and training for incapacity, 586

Ethical Concerns (Professional Ethics)

Countertransference issues in the treatment of the military dissenter, 654
Grief of soldiers: Vietnam combat veterans' self-help movement, 640
On making relevance relevant, 717

Family Therapy

How therapists assign families to treatment modalities: the development of the treatment method choice sort, 767
Proposal for a trial of family therapy and conjugal visits in prison, 117
Training family therapists by setting learning objectives, 439

Group Therapy

Grief of soldiers: Vietnam combat veterans' self-help movement, 640
Reminiscences of runaway adolescents, 840

Health Care System and Insurance

Health workers of the Fengsheng neighborhood of Peking, 737
Hospital confrontation: a cry for help and technique for change, 79
Models of helping and training for incapacity, 586
National view of mental health, 700
New look at national insurance for mental health, 622
Professionalism and the erosion of rationality in the health care field, 55
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732
Utilization and costs of psychiatric care: key issues in the coming debate on national health insurance, 628
World view of mental health: recent developments and future trends, 706

Homosexuality

Menopausal queen: adjustment to aging and the male homosexual, 670

Infant Development

Alternatives in child rearing in the 1970s, 720
Effects of early day care experience on adjustment to a new environment, 340
First mothers rooming-in with their newborns: its impact upon the mother, 783
From laboratory to real world: service delivery of the mother-child home program, 72

International Reports

Abortion trends in European Socialist countries and in the United States, 376
First mothers rooming-in with their newborns: its impact upon the mother, 783

Gurū-chelā relationship: the possibility of a therapeutic paradigm, 755
Health workers of the Fengsheng neighborhood of Peking, 737
Human reciprocity: an Arctic exemplification, 447
Measuring the incidence of self-injury: some methodological and design considerations, 142
Research findings on the kibbutz adolescent: a response to Bettelheim, 347
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732
World view of mental health: recent developments and future trends, 706

IQ and Testing

From laboratory to real world: service delivery of the mother-child home program, 72
Comparison of three group approaches to under-achieving children, 133
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541

Kibbutz

Research findings on the kibbutz adolescent: a response to Bettelheim, 347

Language Development

From laboratory to real world: service delivery of the mother-child home program, 72

Law and Legislation

Abortion and sexual behavior in college women, 804
Empirical study of the psychiatric probation-commitment procedure, 670
Hard line must be drawn, 526
Induced abortion: source of guilt or growth?, 815
Junkie as political enemy, 533
Let the punishment eclipse the crime, 514
Making a complex problem worse, 523
National view of mental health, 700
New look at national insurance for mental health, 622
Patent medicine for the drug problem, 512
Poly-drug abuse: drug companies and doctors, 530
Pushing us towards a police state, 528
Utilization and costs of psychiatric care: key issues in the coming debate on national health insurance, 628
We need an alternative, not an escalation, 519

Mental Health Nonprofessionals

Interprofessional collaboration in training in mental health, 97
Natural delivery systems: accessible sources of power for mental health, 46
Psychiatric consultation at a day care center, 394
Urban policemen: crisis mediators or crisis creators?, 632

Mental Health Profesisonals

Challenges in mental health for new professionals, 164
Countertransference issues in the treatment of the military dissenter, 654
Evaluating descriptions of psychiatric treatment programs, 401
From laboratory to real world: service delivery of the mother-child home program, 72
Hospital confrontation: a cry for help and technique for change, 79
Interprofessional collaboration in training in mental health, 97
Models of helping and training for incapacity, 586
New look at national insurance for mental health, 622
Professionalism and the erosion of rationality in the health care field, 55
Religious functions of psychiatry, 362
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65
Utilization and costs of psychiatric care: key issues in the coming debate on national health insurance, 628

Mental Retardation

Camp Freedom: behavior modification for retarded children in a therapeutic camp setting, 418

Military and the Draft

Countertransference issues in the treatment of the military dissenter, 654
Grief of soldiers: Vietnam combat veterans' self-help movement, 640

Parent-Child Interaction

Alternatives in child rearing in the 1970s, 720
Child abuse as psychopathology: a sociological critique and reformulation, 611
Children with excessive fears, 428
Effects of early day care experience on adjustment to a new environment, 340
Family day care: one alternative in the delivery of developmental services in early childhood, 37
First mothers rooming-in with their newborns: its impact upon the mother, 783
From laboratory to real world: service delivery of the mother-child home program, 72

Natural delivery systems: accessible sources of power for mental health, 46
Organization of day care: considerations relating to the mental health of child and family, 8
Our children are our future: early childhood development and the need for services, 4
Report on a nationwide crisis: a book review, 53
Schizotaxia revisited: model issues in the etiology of schizophrenia, 744
Slogans, slots, and slander: the myth of day care need, 23
Some second-generation effects of survival of the Nazi persecution, 320
Temperamental characteristics as predictors of behavior disorders in children, 328

Preschool Programs

Effects of early day care experience on adjustment to a new environment, 340
From laboratory to real world: service delivery of the mother-child home program, 72
Our children are our future: early childhood development and the need for services, 4
Psychiatric consultation at a day care center, 394
Slogans, slots, and slander: the myth of day care need, 23

Professional Organization

Empirical study of the psychiatric probation-commitment procedure, 660
Evaluating descriptions of psychiatric treatment programs, 401
Interprofessional collaboration in training in mental health, 97
Models of helping and training for incapacity, 586
Professionalism and the erosion of rationality in the health care field, 55
Religious functions of psychiatry, 362
Training family therapists by setting learning objectives, 439

Psychiatric Research

Comparison of three group approaches to under-achieving children, 133
Examination of impulsivity as a trait characterizing delinquent youth, 789
Follow-up of adolescents treated in a psychiatric hospital: I. a review of studies, 602
Measuring the incidence of self-injury: some methodological and design considerations, 142
Methadone in the Southwest: a three-year follow-up of Chicano heroin addicts, 355
Temperamental characteristics as predictors of behavior disorders in children, 328
World view of mental health: recent developments and future trends, 706

Psychological Research

Adolescent pregnancy: a study of aborters and non-aborters, 796
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
Educated housewife: mild depression and the search for work, 565
Effects of early day care experience on adjustment to a new environment, 340
Family doll play and female identity in preadolescent males, 123
First mothers rooming-in with their newborns: its impact upon the mother, 783
Follow-up study of women who request abortion, 574
Research findings on the kibbutz adolescent: a response to Bettelheim, 347
Some second-generation effects of survival of the Nazi persecution, 320

Psychotherapy

Classifying confusion: a study of results of inpatient treatment in a multidisciplinary children's center, 411
Differential attitudes of black and white patients toward treatment in a child guidance clinic, 384
Follow-up of adolescents treated in a psychiatric hospital: I. a review of studies, 602
Gurū-chelā relationship: the possibility of a therapeutic paradigm, 755
How therapists assign families to treatment modalities: the development of the treatment method choice sort, 767
Human territorial behavior: the role of interaction distance in therapeutic intervention, 108
Model for the brief hospital treatment of the disadvantaged psychiatrically ill, 774
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732

Racial Factors

Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
Differential attitudes of black and white patients toward treatment in a child guidance clinic, 384
Indian adolescent: psychosocial tasks of the Plains Indian of western Oklahoma, 368

Rehabilitation

After ten years: a follow-up study of comprehensive vocationally oriented psychotheory, 128
Hospital confrontation: a cry for help and technique for change, 79

Proposal for a trial of family therapy and conjugal visits in prison, 117

Religion

Religious functions of psychiatry, 362

Residental Treatment

Camp freedom: behavior modification for retarded children in a therapeutic camp setting, 418

Schizophrenia

Follow-up of adolescents treated in a psychiatric hospital: I. a review of studies, 602
Schizotaxia revisited: model issues in the etiology of schizophrenia, 744

Skyjacking

Individual and group responses to confinement in a skyjacked plane, 459

Social and Economic Issues

Adolescent pregnancy: a study of aborters and non-aborters, 796
Alternatives in child rearing in the 1970s, 720
Child abuse as psychopathology: a sociological critique and reformulation, 611
Community mental health and the Chicano movement, 595
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
Countertransference issues in the treatment of the military dissenter, 654
Empirical study of the psychiatric probation-commitment procedure, 660
Grief of soldiers: Vietnam combat veterans' self-help movement, 640
Hard line must be drawn, 526
Health workers of the Fengsheng neighborhood of Peking, 737
Hospital confrontation: a cry for help and technique for change, 79
Induced abortion: source of guilt or growth?, 815
Junkie as political enemy, 533
Let the punishment eclipse the crime, 514
Making a complex problem worse, 523
Middle-class misperceptions of the high life aspirations and strong work ethic held by the welfare poor, 554
National view of mental health, 700
New look at national insurance for mental health, 622
Organization of day care: considerations relating to the mental health of child and family, 8
Our children are our future: early childhood development and the need for services, 4
Patent medicine for the drug problem, 512
Poly-drug abuse: drug companies and doctors, 530
Proposal for a trial of family therapy and conjugal visits in prison, 117
Pushing us towards a police state, 528
Report on a nationwide crisis: a book review, 53
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732
Slogans, slots, and slander: the myth of day care need, 23
Urban commune: fact or fad, promise or pipedream?, 149
Utilization and costs of psychiatric care: key issues in the coming debate on national health insurance, 628
We need an alternative, not an escalation, 519

Social Role and Sex Role

Abortion and sexual behavior in college women, 804
Educated housewife: mild depression and the search for work, 565
Family doll play and female identity in preadolescent males, 123
Follow-up study of women who request abortion, 574
Human territorial behavior: the role of interaction distance in therapeutic intervention, 108
Menopausal queen: adjustment to aging and the male homosexual, 670
Religious functions of psychiatry, 362
Sex counseling on campus: short-term treatment techniques, 824

Sociocultural

Abortion trends in European Socialist countries and in the United States, 376
Community mental health and the Chicano movement, 595
Conceptual ability in black and white children of different social classes: an experimental test of Jensen's hypothesis, 541
Differential attitudes of black and white patients toward treatment in a child guidance clinic, 384
Formation of values in the developing person, 86
From laboratory to real world: service delivery of the mother-child home program, 72
Gurū-chelā relationship: the possibility of a therapeutic paradigm, 755
Human reciprocity: an Arctic exemplification, 447
Indian adolescent: psychosocial tasks of the Plains Indian of western Oklahoma, 368
Methadone in the Southwest: a three-year follow-up of Chicano heroin addicts, 355

Middle-class misperceptions of high life aspirations and strong work ethic held by the welfare poor, 554
Psychiatric consultation at a day care center, 394
Retooling of a child guidance center: changes and changeover for the tasks of the seventies, 65
Role of revolutionary optimism in the treatment of mental illness in the People's Republic of China, 732

Urban Problems

From laboratory to real world: service delivery of the mother-child home program, 72
Hospital confrontation: a cry for help and technique for change, 79
Psychiatric consultation at a day care center, 394
Reminiscences of runaway adolescents, 840
Urban commune: fact or fad, promise or pipedream?, 149
Urban policemen: crisis mediators or crisis creators?, 632

Value Formation

Formation of values in the developing person, 86
Indian adolescent: psychosocial tasks of the Plains Indian of western Oklahoma, 368
Religious functions of psychiatry, 362

Violence, Self-Injury

Grief of soldiers: Vietnam combat veterans' self-help movement, 640
Measuring the incidence of self-injury: some methodological and design considerations, 142
Urban policemen: crisis mediators or crisis creators?, 632

Women

Abortion and sexual behavior in college women, 804
Abortion trends in European Socialist countries and in the United States, 376
Adolescent pregnancy: a study of aborters and non-aborters, 796
Educated housewife: mild depression and the search for work, 565
First mothers rooming-in with their newborns: its impact upon the mother, 783
Follow-up study of women who request abortion, 574
Induced abortion: source of guilt or growth?, 815

Youth and Students

Abortion and sexual behavior in college women, 804
Reminiscences of runaway adolescents, 840
Sex counseling on campus: short-term treatment techniques, 824
Urban commune: fact or fad, promise or pipedream?, 149
